Highwayman - The Highwaymen (1985)

[Intro] | Bm | Bm | Bm | [Verse 1] (Willie Nelson) I was a highwayman, along the coach roads I did ride With sword and pistol by my side Many a young maid lost her baubles to my trade Em Bm Many a soldier shed his lifeblood on my blade Bm The bastards hung me in the spring of twenty five But I am still alive [Verse 2] (Kris Kristofferson) Bm I was a sailor, I was born upon the tide With the sea, I did abide Em Bm I sailed a schooner round the horn to Mexico I went aloft and furled the mainsail in a blow Bm And when the yards broke off they said that I got killed But I am living still

```
[Verse 3] (Waylon Jennings)
Bm
 I was a dam builder, across a river deep and wide
                      D
 Where steel and water did collide
Em
  A place called Boulder on the wild Colorado
Em
  I slipped and fell into the wet concrete below
Bm
  They buried me in that gray tomb that knows no sound
But I am still around
[Bridge] (All)
                  A/C# Bm
I'll always be around, and around, and around, and
around,
                D/F# Em
    G
                                     G A D
and around, and around ...
[Verse 4] (Johnny Cash)
  I'll fly a starship 'cross the universe divide
 And when I reach the other side
              Bm
  I'll find a place to rest my spirit if I can
  Perhaps I may become a highwayman again
                      G A
  Or I may simply be a single drop of rain
But I will remain
[Outro] (All)
             D A/C# Bm A
And I'll be back again, and again, and again, and again,
               D/F#
                       \mathsf{Em}
                              G A D
and again, and again ...
