           G+9 D
Α
We are family, I got all my sisters with me
           G+9 D
We are family, get up everybody and sing
           G+9 D
We are family, I got all my sisters with me
           G+9 D
                                     F/G
We are family, get up everybody and sing
[Verse 1]
Α
       Em7
             D9
  Everyone can see we're together
      Em7
              D9
                    Α
as we walk on by (And!)
         Em7
                      D9
  And we fly just like birds of a feather,
        Em7
             D9
                      Α
 I won't tell no lie (All!)
             Em7
                     D9
Α
  All of the people around us, they say,
         Em7
can they be that close
              Em7
                            D9
Α
                                    Α
  Just let me state for the record
                       Em7
we're giving love in a family dose
```

```
[Verse 2]
               Em7
                              D9
Α
                                          Α
Living life is fun and we've just begun
                            Em7
                                      D9
                                                Α
  to get our share of this world's delights
                                               (High)
Α
              Em7
                            D
                    for the future
High hopes we have
         Α
                      Em7
                             Α
 And our goal's in sight
                            (We!)
                   Em7
                            D9
No, we don't get depressed, here's what we call
    Em7
           D
our golden rule
                           Em
Have faith in you and the things you do,
 D9
              Α
 you won't go wrong, oh no
             Em7
 this is our family jewel
[Chorus]
[Outro]
                                            F/G
            G+9
                 D
 We are family,
                 I got all my sisters with me
 We are family, get up everybody and sing
(fade out)
