

## Family Bible - Willie Nelson (1959)

### [Verse 1]

G C G  
There's a family Bible on the table  
Em A7 D7  
Its pages worn and hard to read  
G C G  
But the family Bible on the table  
C G D7 G  
Will ever be my key to memo-ries

### [Verse 2]

C G  
At the end of day when work was over  
Em A7 D7  
And when the evening meal was done  
G C G  
Dad would read to us from the family Bible  
C G D7 G  
And we'd count our many blessings one by one

### [Chorus]

C F C  
I can see us sitting round the table  
G  
When from the family Bible dad would read  
C G  
And I can hear my mother softly singing  
C G D7 G  
Rock of ages rock of ages cleft for me

[Verse 3]

                  C                                  G  
This old world of ours is full of trouble  
Em                                  A7                  D7  
But this old world would also better be  
                  G                  C                  G  
If we'd find more Bibles on the tables  
                                  C                  G          D7                  G  
And mothers singing rock of ages cleft for me

[Chorus]

          C                  F                                  C  
I can see us sitting round the table  
  G  
When from the family Bible dad would read  
                                  C                                  G  
And I can hear my mother softly singing  
                                  C                  G          D7                  G  
Rock of ages rock of ages cleft for me
